RE: Des Plaines Police Department
Duct System Cleaning

Dear Ms. Melton,

Your company was hired to clean the duct system at our police department. The job was completed on Thursday, May 13, 2004. On behalf of the Des Plaines Police Department, please accept my thanks for a job well done. Your crew, led by Edward Hernandez, did an outstanding job. I personally stayed with the crew the entire time they were on the job and maintained a constant dialogue with them. The crew was courteous, professional, and responsive to any request that I made.

Please feel free to use us as a reference for any future work. Thank you again.

Sincerely,

Sgt. Nick Treantafeles
Administrative Sergeant
