Dear Mr. Melton;

I would like to express my appreciation and satisfaction to your company for your excellent work recently completed for the referenced project at Gracedale Nursing Home. The cleaning process for the air distribution systems was professionally accomplished with minimal problems. Your team's cooperation with the staff and residents allowed the process to be completed successfully and ahead of schedule. Also, the photos and record drawings you provided to the County were very beneficial in documenting the results of the duct system cleaning.

I would recommend your company for similar work in the future.

Respectfully submitted,
W2A DESIGN GROUP
