MARC L. MONTMINY, CHIEF

19 December 2011

Mr. John Herriman II,

On Monday, December 5<sup>th</sup> 2011 your company sent four employees to the Manchester Police Department for an extensive work project. Your foreman Anthony Martinez, arrived with Gabriel Colon, Luis Andrew and Michael Lopez. A fifth man, Robert Shea, would later join this team. I wanted to take a few moments to acknowledge the work that they did. These individuals worked as hard as anyone I have seen in a long time. Being a secure building as this is, your crew was asked to work in situations that were trying I'm sure. The professionalism demonstrated by these individuals should be commended. All were extremely courteous to me and the other employees in the building and they were respectful of individuals work spaces, taking measures to protect personal property and leaving the work area cleaner then when they arrived.

I would also like to say that Anthony Martinez was very easy to work with, he acted professionally at all times, he answered my questions without hesitation and he was extremely polite. I believe that Mr. Martinez is a great asset to your company.

Respectfully submitted,

Lt. David Ellsworth
