re: Town of Narragansett Public Safety Building
Duct System Cleaning, Disinfection & Investigation

Dear Ms. Melton:

On behalf of the Town of Narragansett, please accept my thanks for a job well done! Ed Hernandez and his crew were professional, courteous, and responsive to the needs of the Police and Fire Department staffs, and performed their work in a very efficient manner. Ed maintained daily contact with the appropriate Police and Fire staffs, as well as myself, to insure that we were aware of the progress of the job and to discuss any issues that arose.

I would not hesitate in using your firm again. Please feel free to use this letter as a reference for future work.

Sincerely,

Jeffrey Ceasrine, P.E.
Town Engineer
